- In the wake of structural adjustment programs: Exploring the relationship between domestic policies and health outcomes in Argentina and Uruguay, 217-21
- Individual rights, collective good and the duty of care (Editor's Page), 85
- Influenza vaccination: A call for a multiple intervention approach, 136-38
- Innovations dans la capacité de recherche sur les interventions axées sur la population : l'apport de *Canada en mouvement*, S5-S9*
- Innovations in population intervention research capacity: The contributions of *Canada on the Move*, S5-S9*
- Introduction: Canada, Latin America, and international health, 11§
- Juggling demands: Canadian health aid to Latin America since World War II, 12-17§
- Learner's Foreword - On behalf of less literate Canadians..., S4†
- Learning together: A Canada-Cuba research collaboration to improve the sustainable management of environmental health risks, 50-55
- Lifetime and recent prostate specific antigen (PSA) screening of men for prostate cancer in Canada, 171-76
- Literacy and health practice resources, S14-S15†
- Littératie en matière de santé dans la réalité des immigrants, sur le plan de la culture et de la langue, S28-S33†
- Long-term health and economic benefits of DOTS implementation in Ecuador, The, 14-19
- Maintenir le cap. Le journal de bord du capitaine : la suite, S5-S9†
- Making the connections: AIDS and water, 56-59
- Mandatory immunization of health care providers: The time has come (Editorial), 86-87
- Mapping stairwell accessibility in Vancouver's downtown core, 118-20
- Mapping the future of Public Health: Action on global health, 6-8
- Methamphetamine use among marginalized youth in British Columbia, 320-24
- Model of mechanisms underlying the influence of media on health behaviour norms, A, 149-52
- Modelling geographic variations in West Nile virus, 374-78
- Obesity rates among rural Ontario schoolchildren, 353-56
- Peaufiner et définir la santé publique (Mot de la rédaction), 349
- Perceived neighbourhood correlates of walking among participants visiting the *Canada on the Move* website, S36-S40*

- Pertussis in rural populations of Saskatchewan (1995-2003): Incidence, seasonality, and differences among cases, 459-64
- Physical activity and ethnicity: Evidence from the Canadian Community Health Survey, 271-76
- Physical activity and immigrant status: Evidence from the Canadian Community Health Survey, 277-82
- Population health effects of air quality changes due to forest fires in British Columbia in 2003: Estimates from physician-visit billing data, 105-8
- Portrait of outpatient visits and hospitalizations for acute infections in Nunavik preschool children, 362-68
- Post-scriptum : leçons de l'élaboration et de la mise en oeuvre de *Canada en mouvement*, S45-S46*
- Postscript: Learning from the experience of developing and running *Canada on the Move*, S41-S42*
- Predictors and outcomes of household food insecurity among inner city families with preschool children in Vancouver, 214-16
- Predictors of acceptance of a postpartum public health nurse home visit: Findings from an Ontario survey, 191-96
- Predictors of influenza immunization among home care clients in Ontario, 335-39
- Predictors of intention to quit smoking among Jordanian university students, 9-13
- Prevalence and characteristics of body piercing and tattooing among high school students, 325-29
- Prevalence and factors related to Canadian workplace health programs, 121-25
- Prévalence et cooccurrence de la violence envers les enfants dans la population québécoise, 109-13
- Primary care (PC) and primary health care (PHC): What is the difference?, 409-11
- Problem with breastfeeding discourse, The, 412-14
- Process evaluation of an intervention to improve respiratory infection control practices in family physician offices, A, 475-79
- Productivité et profils de pratique des médecins généralistes à Tirana (Albanie), 480-84
- Profil des visiteurs du site Web de *Canada en mouvement*, S30-S38*
- Prognostic relevance of census-derived individual respondent incomes versus household incomes, 114-17
- Promise of public health, The: Ethical reflections, 402-4
- Proximal impact of *Canada on the Move*: The relationship of campaign awareness to pedometer ownership and use, S21-S27*
- Public investment in providing information for chronic disease prevention for adults in Alberta, 197-200
- Putting food on the public health table: Making food security relevant to regional health authorities, 233-36
- Rapid assessment procedures in environmental sanitation research: A case study from the northern border of Mexico, 24-28
- Rationale and implementation of the SLICK project: Screening for Limb, I-eye, Cardiovascular and Kidney (SLICK) complications in individuals with type 2 diabetes in Alberta's First Nations Communities, 241-47
- Recherche interdisciplinaire en santé, La : retour sur l'expérience de l'Institut d'été en recherche interdisciplinaire en santé 2003, 415-17
- Refining and defining public health (Editor's page), 349
- Regional, seasonal, and antimicrobial resistance distributions of *Salmonella* Typhimurium in Canada: A multi-provincial study, 470-74
- Relationship between local availability and first-time use of specialists in an arthritis population, The, 210-13
- Research as intervention in heart health promotion, 291-95
- Ressources générales sur l'alphabétisation et la santé, S51-S52†
- Ressources sur l'alphabétisation et la santé à l'intention des praticiens, S15-S16†
- Rethinking schools of public health: A strategic alliance model, 251-54
- Santé des femmes et la coopération hospitalière canadienne en Afghanistan, La, 60-62
- School region socio-economic status and geographic locale is associated with food behaviour of Ontario and Alberta adolescents, 357-61
- Science au service de la santé du public, La?, (Mot de la rédaction), 429
- Seroprevalence of West Nile Virus in Saskatchewan's Five Hills Health Region, 2003, 369-73
- Shelter-based convalescence for homeless adults, 379-83
- Should deworming be included in antenatal packages in hookworm-endemic areas of developing countries?, 222-24
- Social capital, health, and Francophone minorities, S16-S20†
- Staying the course: The Captain's Log continues, S5-S9†
- Substance use among women in shelters for abused women and children: Programming opportunities, 388-92
- Summarizing health inequalities in a Balanced Scorecard: Methodological considerations, 350-52
- Surge capacity and casualization: Human resource issues in the post-SARS health system, 230-32
- Surveillance de la santé, La : un outil essentiel de protection et de promotion de la santé du public (Encart), I1-I8‡
- Sustainability: The elusive dimension of international health projects, 45-49
- Tackling the obesity pandemic: A call for sedentary behaviour research, 255-57
- Three Networks Framework to deal with public health emergencies in Guangxi, China, The, 398-401
- Three challenges to the Ottawa spirit of health promotion, trends in global health, and disabled people, 405-8
- Trends in prostate cancer incidence, hospital utilization and surgical procedures, Canada, 1981-2000, 177-82
- Uptake and behavioural and attitudinal determinants of immunization in an expanded routine infant hepatitis B vaccination program in British Columbia, 90-95
- Vegetable and fruit food frequency questionnaire serves as a proxy for quantified intake, 286-90
- Vers de nouveaux horizons, S47-S50
- Video lottery terminal access and gambling among high school students in Montréal, 202-6
- Votre revue : le pouls de la santé publique (Le mot de la rédaction), 269
- What are the effects of tobacco policies on vulnerable populations? A better practices review, 310-15
- What do women know about the risks of delayed childbearing?, 330-34
- What is the evidence for parenting interventions offered in a Canadian community?, 454-58
- Your Journal, the pulse of public health (Editor's Page), 269
- Youth homelessness: A call for partnerships between research and policy, 445-47

Reviewer Index / Index des évaluateurs

Reviewers are essential to the quality and vitality of a journal. Many thanks for the altruistic work you do to help identify the most appropriate studies and to offer constructive suggestions to authors to bring out the best in their manuscripts.

Les évaluateurs sont essentiels à la qualité et à la vitalité d'une revue. Mille mercis pour l'altruisme dont vous faites preuve en nous aidant à déceler les études les plus pertinentes et en offrant à leurs auteurs des suggestions pratiques pour mettre leurs manuscrits en valeur.
